Contact: +917046343082

Address: Vadodara, Gujarat, India

Professional Profile

“A dedicated Full Stack Web Developer with 4+ years of hands-on experience in building dynamic, responsive web applications. Recently transitioned into academia as a Lecturer in Computer Engineering, where I leverage industry expertise to teach and mentor aspiring developers. Skilled in both front-end and back-end technologies, I am passionate about creating innovative solutions while fostering a learning environment that bridges the gap between practical development and theoretical knowledge.”

- Experience in website development technologies like PHP, Laravel, SQL.
- Experience in front-end technologies like HTML, CSS, Bootstrap, jQuery, and AJAX.
- Familiar with tools like Visual Studio Code, SQL Server Management Studio, Bitbucket, GitHub, MySQL.
- Ability to work in large, collaborative teams to achieve organizational goals.
- Quick learner and adoptable to new Technologies and Tools.
- Currently serving as a Lecturer in Computer Engineering, delivering structured lessons, planning coursework, and mentoring students.

Core Skills

- HTML
- CSS
- JavaScript
- jQuery
- Bootstrap
- PHP
- Laravel Framework
- SQL
- AJAX
- Tailwind CSS
- Python
